

RhYthm Run Game Manual

Controls:

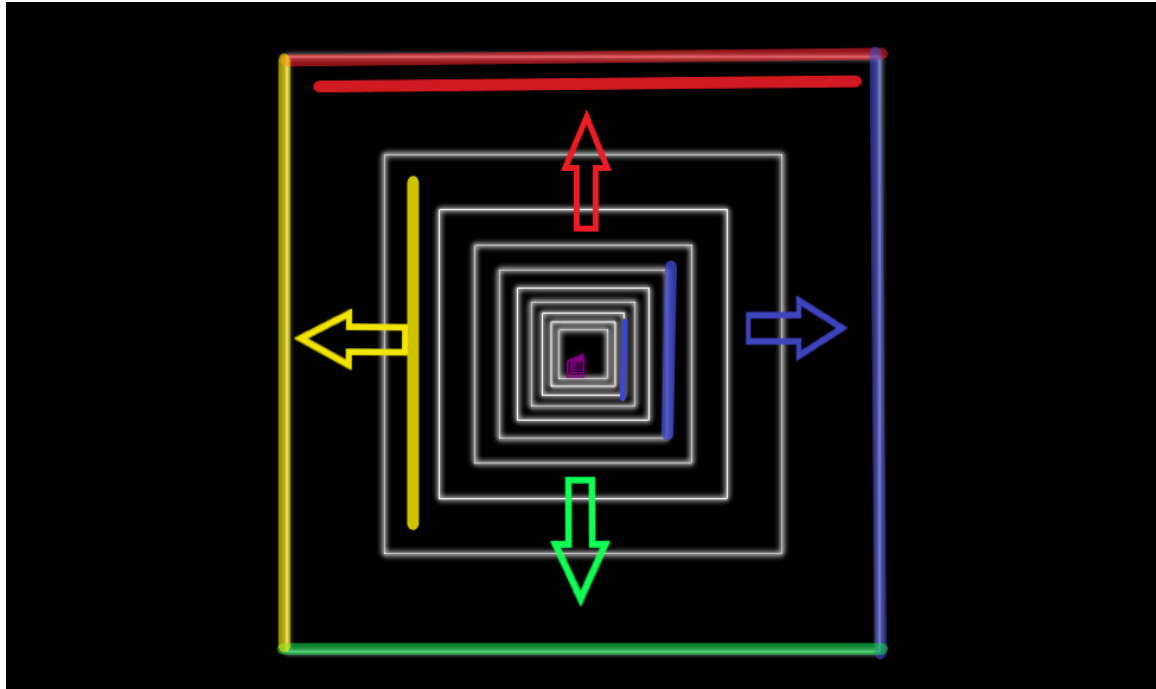

A, W, E, F are used to navigate menu items and play the game.

P is to pause the game and Enter is to select.

Instructions:

First, select a game difficulty in the main menu.

The beat intensity and frequency will change according to the difficulty selected in the menu, with easy leading to few, simple beat patterns and medium to more, and hard to many beats.

As the beat lines approach the beat square, click the keys corresponding to its color when the beat is right next to or right on the beat square.

A is yellow.

W is red.

E is green.

F is blue.

Reiterating, If the game needs to be paused, just press the P key.

How to win:

You win by achieving a perfect score and matching all the incoming beat lines with the beat square.
